Forrester React 2 Rugby in affiliation with Forrester RFC delivers a block of rugby during the school day at each of the 4 primary schools that feed into Forrester High School. The club development officer works in partnership with school staff and Active Schools to provide pupils with the opportunity to play rugby during curriculum time and attend club sessions, which take place at the Forrester/St Augustine's CSH on a Monday night from 6.30-7.30pm.

Forrester Rugby Club is open to everyone from Primary 1 right through to senior rugby. We provide fun orientated sessions in a safe environment ensuring our players develop to the best of their ability.

The club also supports the high school programme, with curriculum delivery for S1-2 pupils in term 1 and an extra-curricular club all year round.

This year alone, approximately 15 pupils have moved from school rugby into the club, helping to support them to become better rugby players, as well as strengthen Forrester RFC in terms of creating a flow of players into the club.
