Tall Oaks Badminton Youth Club

We are a competitive badminton club, formed over 25 years ago and have used the facilities at Forrester HS since our inception. We have no selection policy in our Primary School club and start children from P5, whenever spaces become available.

When they become old enough, these members move into the Secondary club. Due to this pathway, there is a selection process and memberships are restricted to competitive players and those in Edinburgh and Lothian squads.

We train at the Forester/St Augustine's CSH on a Thursday evening:

Primary club: 6-8pm

Secondary club: 8-10pm

Waiting lists are currently in operation for both clubs.
