

Summer of Fun Family Activities Application Form

We are really looking forward to bringing the summer fun (safely) back to our centres across the City this year. We want to support everybody to get active and enjoy their summer so we have identified a number of fun family activities that we would like to offer to children and families who are living on low incomes.

If you are a parent or guardian who is living on a low income and would like to enjoy some fun activity together with your loved ones this summer, we've got it covered.

We would like parents to submit their information using the form below – we can offer spaces for families to attend our Aquadash Extreme and Clip n Climb sessions at no cost to the family applying.

Details on each of the activities, including who can take part and adult/child ratios are listed below.

Families who are eligible for the programme include children who receive school uniform and meal grants, care experienced children, young carers, children whose families are in receipt of Universal Credit and children supported by a child's plan.

Please use the tick boxes to indicate all the opportunities that you are interested in attending – we will do our best to allocate the opportunities equally to all families that have applied by the deadline of Sunday 4th July 2021.

Please note that we have limited spaces to allocate for each opportunity and it is unlikely that you will receive all the spaces that you request.

If you are willing to be flexible on dates and want to increase your chances of being allocated a space, please tick as many sessions as you are able to attend.

Family Clip 'n Climb

Get ready for a thrilling adventure in a vertical playground!

Thrilling fun for the family! Clip 'n Climb is back as a bookable family session. A great adventure for children aged 8+ and adults is waiting at Clip 'n Climb, inside Europe's biggest climbing arena.

Clip 'n Climb will challenge your senses as well as your stamina with different shapes, vibrant colours and variety of textures.

No two challenges are alike. Each of our climbing elements offer unique and extraordinary experiences – it's impossible to be bored and for those looking for continuous improvement, each challenge offers different levels of difficulty to push you even harder!

Challenge yourself or your family with 15 climbing elements providing a range of features and levels suitable for children and adults. If you lose your balance, the auto-belay gently lowers you and you can climb again unless it's the end of your session.

Don't worry if you've never climbed before, it's suitable for beginners.
