We offer a range of subjects that allow you to demonstrate creativity, gain valuable life skills and build your confidence in various practical learning environments. We currently offer Practical Cake Craft, Practical Cookery: Hospitality and Early Education and Childcare at National 5 level.

PRACTICAL CAKE CRAFT

This course will teach you how to plan, prepare and bake cakes that look good, taste good and are safe to eat

Cake production is part of the Scottish hospitality industry, which is vibrant and growing. The course is a springboard for a range of careers in the hospitality industry, which employs a significant proportion of the nation's workforce.

PRACTICAL COOKERY

Healthy, tasty food is crucial to our wellbeing. The course will suit you if you love food and cooking and want to develop your skills in this area.

Being able to cook for yourself and others is a valuable life skill and can lead to a range of careers, including working in hotels and restaurants, the health sector and the food industry.

EARLY EDUCATION & CHILDCARE

Educating or caring for young children is a very rewarding career. You are in a position to develop and enhance the lives of children and young people, and your enthusiasm will sow seeds which can grow right through life!

Early Education and Childcare offers good opportunities for students who enjoy working with children, communicating with others, organising activities and using their imagination.
