ACCESS & CONTINUING EDUCATION (ACE)

A range of courses from levels 1 to 5, Delivered in a supportive environment for pupils with ASN, or who have a barrier to learning and/or have received support at school

ACE curriculum combines practical, indoor and outdoor sessions to enable pupils to develop a range of skills and support positive transition from school to college.

The aim is to support students to :

- make the leap from school to college
- become more confident and independent learners
- gain skills & qualifications to move on to another college course or into work
