**Do you have a local hero?**

I'm writing on behalf of my 10 year old daughter, Heather Bryson BCyA Ambassador.

<https://www.britishcitizenawards.co.uk/ambassador-bcya> (basically a junior OBE)

Her remit is to connect with communities across Scotland, to encourage people/organisations to nominate they're unsung heroes for a BCA (adults) or BCyA (children). She hopes to get the opportunity to speak at meetings/events (in person or by zoom) with regards to her own charity recycling/intergenerational work, her awards and most importantly **how to nominate local heroes**.

I would be really grateful if you could keep her in mind for any suitable events that she could attend either in person or online. This is about acknowledging **local heroes in your area!** Do you know anyone that deserves a BCA or BCyA? It's very easy to nominate them, Heather will talk you through the process.

An overview of Heather: Heather provides an intergenerational lifeline with her exercise classes for people living with disabilities (including care home residents) and re-cycling projects.

It's impossible to limit my description of Heather's achievements/collaborations into a brief summary, please see her FB pages for full details. <https://www.facebook.com/lockdowncraftsbyh>  
<https://www.facebook.com/lockdownexercisebyh>

I think that's more than enough about Heather, as mentioned this is about the local heroes in your area. Please feel free to contact me by email ([h.bryson2012@hotmail.com](mailto:h.bryson2012@hotmail.com)) or telephone (07743951639) to discuss Heather participating in any meetings or events that you think may benefit from this information.

Kind regards

Deborah Bryson (or more commonly known as Heather's Mum)

### Love Your Neighbourhood grant

This is a temporary limited term grant until end of March 2023. The grant will provide free equipment and training for community organisations or groups who want to enhance or improve their local area for walking, wheeling, and cycling. The grant is for training and equipment which will support community groups to carry out activity to encourage walking, wheeling, or cycling. E.g., Bird ID/Foraging walks, litter picking equipment, or roadside repair tools for community centres and hubs, cycle training and more. Priority will be given to community groups working in areas of deprivation, or with marginalised communities. For more information please contact us

On a separate note, if it would be useful to receive regular updates with similar opportunities and other information relating to active travel relevant to community organisations and groups I can also add you to our mailing list. This is for a quarterly bulletin which brings together updates from various partners who receive funding from Transport Scotland to deliver active travel activities across Scotland.
