

Forrester HS Dress Code

Ready - Respectful - Responsible

Head Teacher's Introduction

I am pleased to provide details of our revised School Dress Code for Session 2023/2024 onwards, alongside details of our supplier; [BE Uniforms](#)

There are a number of reasons for having a clearly defined dress code policy:

- In a large school, for safety reasons, it is essential that all pupils are instantly recognisable as Forrester High School pupils.
- We regard school as a 'place of work' for our young people, and wearing school uniform creates the right climate and mindset required for learning.
- Wearing school uniform instils pride, a sense of belonging, a sense of purpose in class and projects an appropriate image to the local community and visitors to the school.
- Items of school uniform are significantly cheaper than branded items of clothing.
- School uniform removes the stigma attached to not wearing more expensive branded items and also reduces peer-pressure and bullying.

I would like to thank you for your cooperation and support with this policy.

Poverty Proofing our school

Poverty-proofing the school day means considering how policies and practices can impact on children and young people affected by financial pressures and how this affects their experience of the school day. Solutions may not necessarily cost money but may, for example, require schools or education services to do something differently.

In every school in Scotland, more and more parents, carers and families face financial pressures, meaning that many of our children risk being locked out of opportunities to participate, learn and thrive. At Forrester High School, we must enable all of our young people to take full and equal advantage of opportunities and consider how to reduce the extra costs for parents and carers.

If you have any concerns when purchasing school Dress Code, please contact our **Pupil Support Officer** :
Sarah.ross@forrester.edin.sch.uk who can provide support for our young people. This might be temporarily for a few months or throughout a young person's full school life.
