Next Steps -

A letter will go out to parents giving information and with the link for you to make your choices.

You will make 4 choices in order of preference, along with one in-school choice. We will try to ensure you get one of your top choices for each day.

If you are allocated Alton Towers, you will be allocated your in-school choice for the additional day.

Parents must agree to make the payment should you be granted a place on your chosen activities.

Choices are to be made by Friday 15TH December

We would like all young people to have the opportunity to attend a trip. If you are not able to cover the cost of a trip for your child, please contact our PSO, Sarah Ross - sarah.ross@forrester.edin.sch.uk to discuss.
