

# Raising Attainment Strategy

## Our Priorities:

Improve the consistency and quality of learning, teaching and Assessment

Improve the strategic overview of attainment of young people in S1 - S3

Raise attainment and expectations of all young people

Raising attainment is everyone's business

## Key Actions:

- Develop staff understanding of national standards across the BGE.
- Improve the use of effective tracking and monitoring to inform planning of learning, teaching and assessment.
- Develop an assessment strategy.
- Engage with a range of moderation activities.
- Staff will improve the breadth and quality of passes in National Qualifications In the senior phase.

## Our Approach:

- Developing capacity at all levels to be data intelligent
- Data informed interventions priorities, actioned and monitored for impact.
- All staff will know their role in raising attainment
- Develop high quality learning and teaching professional learning
- All staff will engage with meaningful professional enquiry
